This is to certify that I have examined this application together with the accompanying maps and data,
and am returning it for correction or completion as follows:

In order to retain its priority date, this application must be returned to the Department of Ecology, with
corrections, on or before, 19.....

Witness my hand this day of, 19.....

SECTION MAP

Scale: 1 inch = 800 feet (each small square = 10 acres)

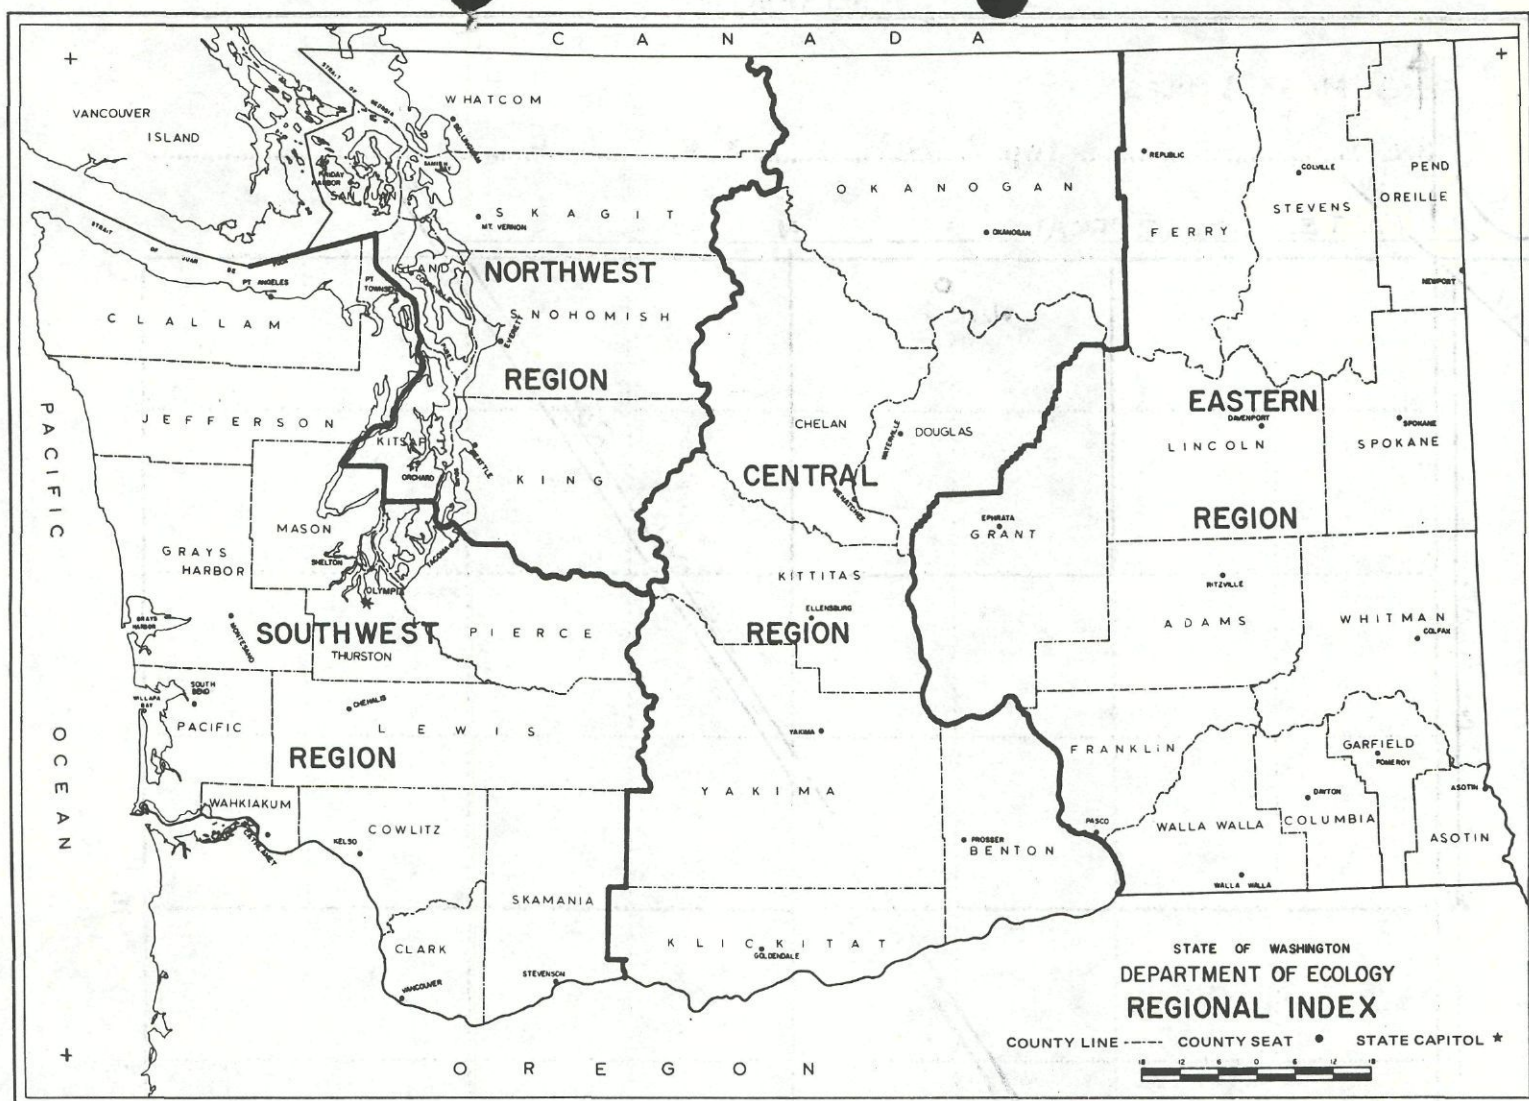

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source). For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile. Indicate traveling directions from nearest town in space below.

Detach here

Fold along scale

Detach this scale at the performance, fold excess paper under or cut off excess by cutting along the scale line. This scale corresponds to the SECTION MAP above. You can read feet directly from this scale to outline property and locate points of diversion or withdrawal on the SECTION MAP. Enclose this map along with the application and \$10.00 examination fee.

Your water right application will be processed by the Regional Office of the Department of Ecology having jurisdiction in the area in which your water works are located. **Please submit your completed application form, maps, sketches, and \$10.00 examination fee to the appropriate Regional Office.**
